

## Coreluv's Defend the Orphan Month Talking Points

### **CORELUV'S VISION**

Today we would like to introduce you to Coreluv International an organization whose vision is to bring the hope of Jesus Christ to orphans around the world. They work in impoverished areas to provide an orphan's six basic needs - clean water, proper food, healthcare, education, job skills, and a Christ-centered loving home.

### **NOT A SUGGESTION BUT A MANDATE**

Isaiah 1:17 says Learn to do good. Seek justice. Help the oppressed. Defend the orphan. Fight for the rights of widows. Today we along with other churches are partnering with Coreluv as part of Defend the Orphan Month to raise awareness of the global orphan crisis.

### **CRISIS**

There are currently more than 153,000,000 orphans in the world today. Only 250,000 will be adopted each year. The sad truth is that 99% of all orphans will likely never be adopted.

### **HOW CAN SOMEONE HELP?**

Partner with Coreluv to fulfill the Isaiah 1:17 mandate. Use what is in your hand to Defend the Orphan. Everyone can do something to bring change and awareness to the orphan crisis.
